To our Clients, Colleagues and Friends:

We are excited to announce that on January 1, 2017, our firm will join Kurzman Eisenberg Corbin & Lever, LLP, a thirty-five attorney law firm with a stellar reputation.

Gerald & Lawrence Blumberg, LLP was formed nearly forty years ago to provide high quality legal advice and counsel to individuals, their businesses and families. We are proud of the reputation our firm has earned, and of our client relationships which often span multiple generations. As always, we will continue to be personally and directly engaged in all of our clients' matters.

Kurzman Eisenberg has offices in White Plains, New York and New York City. In January, its New York City office will move into our space at 521 Fifth Avenue. In addition to a fourteen person Trusts and Estates department, the firm also has excellent corporate, real estate and litigation departments that will be available to serve the needs of our clients. We look forward to this new chapter, and to continuing the close client relationships and wise counsel that has been the key to our success.

We will provide further information to you before the end of the year. In the meantime, please contact either of us if you wish to discuss the upcoming transition.

Sincerely,

Lawrence S. Blumberg
